

**FOR IMMEDIATE RELEASE:**

## **Michael Pordes joins MV Transportation as Director of Telecommunications**

**Fairfield, CA -- September 9, 2007** --- MV Transportation, Inc. is pleased to announce Michael Pordes has joined the company as Director of Telecommunications.

In this capacity, Michael will be responsible for all aspects of MV's company-wide voice communications systems.

"Michael's vast experience in telecommunications will certainly be an asset to MV," said Marsha Moore, MV's Executive Vice President of Research and Development. "We are happy to have him on our team."

Michael joins MV with more than 20 years of experience in the telecommunications industry. Prior to joining the company, Michael worked for six years as a Senior Project Manager for AT&T Advanced Enterprise Solutions in San Ramon, CA.

At AT&T, he successfully implemented many complex and challenging enterprise-wide voice and data projects for organizations such as Constellation Brands, Genentech, Visioneer and several major metropolitan 911 Police/Fire Dispatch Centers. In 2004, Michael coordinated the design and successfully installed the largest outdoor sporting venue wireless public data network in the United State at AT&T Park – home of the San Francisco Giants.

Other positions Michael has held during his career include: Communications Division Manager for the County of Solano; Global Network Control Center Manager for DHL Systems; Director of Telecommunications for the nationwide law firm of Pillsbury Winthrop, and District Manager of Technical Services for GTE (now Verizon) Communications.

Michael holds a Bachelor of Science in Business Administration from California State University, Sacramento, CA.

Based in Fairfield, California, MV is the largest private provider of paratransit services and the largest privately-owned transportation contracting firm in the United States. The company employs more than 11,000 dedicated transit professionals and operates more than 180 paratransit, fixed-route, shuttle and Medicaid contracts in 27 states.
