Doug Gies Promoted to President of Eastern Operations

Fairfield, Calif., (October 1, 2010) - MV Transportation, Inc., is pleased to announce the promotion of Mr. Doug Gies to East Group President.

Gies has served as Regional Vice President of MV's Mountain Area for the past three years and has school bus, fixed route and paratransit managerial experience spanning his 20 year career in the industry. In his new role, Gies will oversee MV's team of regionally based vice presidents and support personnel, as well as ensuring contract compliance and the operational success of all contracts across the Eastern United States, beginning in Colorado and extending east.

MV Transportation's selection committee conducted an exhaustive search of internal and external candidates for this position and was proud to have found the most suitable candidate under the MV roof.

"I have worked with Doug for the past three years and truly admire his management style, from his ability to cultivate and maintain genuine client relationships to the way he inspires teamwork among our colleagues. I look forward to working with him in his new role at MV," said Kevin Klika, President/Chief Operating Officer.

Based in Fairfield, California, MV Transportation, Inc. is the largest private provider of paratransit services and the largest privately-owned transportation contracting firm in the United States. The company employs more than 12,500 dedicated transit professionals and operates more than 190 paratransit, fixed-route, shuttle and Medicaid contracts in 24 states, the District of Columbia, and British Columbia.
