MV Transportation, Inc. Begins New \$74.5 Million Contract with L.A. Metro

Fairfield, Calif., (November 2, 2010) – Today, MV Transportation is proud to announce the successful start-up of the Metro South operations for Los Angeles County Metropolitan Transit Authority.

MV Transportation began service on Monday, November 1, with an on time rollout of all 85 buses.

Under the terms of this five year agreement, MV Transportation will partner with L.A. Metro to manage and operate the agency's fixed-route service with 140 drivers, 17 mechanics and many other staff members.

“We are excited about this new partnership with L.A. Metro and the opportunity to provide quality transportation services to an even larger population of Greater Los Angeles area residents,” said John Siragusa, Interim President of MV's west coast operations.

MV Transportation operates several other contracts in the LA Metro area, including Los Angeles Department of Transportation (LADOT), Anaheim Resort Transit (ART), Orange County Transportation Authority (OCTA), Access Services in Los Angeles and Glendale Bee Line.

About MV Transportation, Inc.

Based in Fairfield, California, MV Transportation, Inc. is the largest private provider of paratransit services and the largest privately-owned transportation contracting firm in the United States. The company employs more than 12,500 dedicated transit professionals and operates more than 190 paratransit, fixed-route, shuttle and Medicaid contracts in 24 states, the District of Columbia, and British Columbia.
