## **MV Transportation Inc. and Copart Inc. make \$20,000 donation to City of Fairfield Senior Center and Day Program**

Fairfield, CA (Aug. 18, 2009) - MV Transportation, Inc. and Copart, Inc., two international businesses based in Fairfield, jointly donated \$20,000 to benefit the city's Seniors Day Program.

MV and Copart executives presented the check to Fairfield Mayor Harry Price during the Aug. 18 City Council meeting. The money will be used to support the many programs and activities sponsored by the City's Senior Center.

Fairfield residents age 50 and older participate in more than 50 clubs or organizations, holiday events, aerobics and fitness activities, field trips and monthly dinners. The Senior Center offers a number of social services including AARP drivers training and tax preparation assistance, annual flu shots, as well as legal and health referrals.

Both MV and Copart are committed to supporting local initiatives in the communities they serve. The Fairfield Senior Day Program, recipient of a portion of the donation, is a social day program for seniors who need supervision, assistance, and social interaction.

"Our core business is to provide transportation services to some of our more vulnerable citizens – seniors and people with disabilities," said Nikki Frenney, MV's Vice President of Public Affairs. "Whenever we get the opportunity to support initiatives that will help to improve this population's quality of life and to honor our mission to be a good community steward, we don't hesitate to act. We believe giving back to our neighbors is key to remaining successful."

"Senior Citizens have paved the way for future generations," said Copart President Jay Adair. "That is why it is critical for us as a company and as a community to support our seniors and provide them with essential resources. Copart is proud to be able to help Fairfield's seniors in this goal."

**About MV Transportation**

Based in Fairfield, California, MV is the largest privately-owned transportation contracting firm in the United States. The company employs more than 12,000 dedicated transit professionals and operates more than 190 contracts in 24 states, the District of Columbia and British Columbia.

**About Copart**

Copart, founded in 1982, provides vehicle sellers with a full range of remarketing services to process and sell salvage and clean title vehicles to dismantlers, rebuilders, exporters, and in some states, to end users. Copart remarkets the vehicles through Internet sales utilizing its proprietary VB<sup>2</sup> technology.

Copart sells vehicles on behalf of insurance companies, banks, finance companies, fleet operators, dealers, car dealerships, the general public, and others. The company currently operates 148 facilities in the United States, Canada, and the United Kingdom. Salvage vehicles are either damaged vehicles deemed a total loss for insurance or business purposes or are recovered stolen vehicles for which an insurance settlement with the vehicle owner has already been made.

Copart recently enhanced its website to make it easier for new buyers to search for and view vehicles offered at [www.copart.com](http://www.copart.com). Public buyers can also now purchase cars at Copart through independent third-party resellers. For more information, or to purchase vehicles, visit [www.copart.com](http://www.copart.com).
