

FOR IMMEDIATE RELEASE:

FACTS elects MV Transportation Director as President

Orlando, FL – August 8, 2007 – Edward Griffin, Director of Government Relations for MV Transportation, has been elected to serve as President of the Florida Association of Coordinated Transportation Systems (FACTS) for the 2007-2008 term.

FACTS is a statewide association representing the interests of passengers, Community Transportation Coordinators, Local Coordinating Boards, Designated Planning Agencies and Transportation Providers in the nationally recognized Florida coordinated transportation model.

The association advocates for the preservation and advancement of coordinated transportation and is actively involved with legislative initiatives in partnership with the Commission for the Transportation Disadvantaged (CTD).

“Ed is what I and many others in the industry consider an expert on coordinated transportation, and a leading advocate for improving paratransit efficiencies through these efforts,” said Jon Monson, MV’s Chief Executive Officer. “The membership of FACTS has chosen an exemplary leader as their new president.”

Mr. Griffin is a veteran of nearly 20 years in human services and community transportation, serving in various roles, including senior staff member and Commissioner with the Florida Commission for the Transportation Disadvantaged (CTD), paratransit director for the Central Florida Regional Transit Authority (LYNX) in Orlando and manager of both rural and urban transit systems. Mr. Griffin has been on the MV team member for more than four years, and continues to be heavily involved in policy development in Florida public transportation.

Based in Fairfield, California, MV is the largest private provider of paratransit services and the largest privately-owned transportation contracting firm in the United States. MV employs more than 11,000 dedicated transit professionals and operates more than 180 contracts in 27 states.
