

FOR IMMEDIATE RELEASE:

MV President Keith Whalen accepted into Leadership APTA

Fairfield, CA – August 14, 2007 -- MV Transportation, Inc. is proud to announce Keith Whalen, President of the company's Central Region, has been accepted into the upcoming Leadership APTA program.

Whalen, who is responsible for all MV business in the southeast and midwest, joined MV in 1999. Since that time, he has been Executive Vice President of Business Development and Chief Business Officer. Whalen has been instrumental in the company's tremendous growth.

"I am proud that Keith will be a member of the next Leadership APTA class," said Jon Monson, MV's Chief Executive Officer. "Not only will he gain valuable knowledge that he can bring back to MV, his classmates will gain a greater perspective on private contracting and building public-private partnerships that work in the transit industry from Keith."

Leadership APTA, a highly respected transit industry professional development program of the American Public Transportation Association, identifies, develops and supports the next generation of transit industry leaders and future leaders of APTA.

According to the association, more than 225 transit industry professionals and APTA members graduated from this program since its inception. Through Leadership APTA, selected individuals participate in a combination of specialized workshops, class leadership projects, teleconferences, online events, and APTA conferences that address the challenges, demands, and key topics of our industry.

The Leadership APTA Committee selected 25 individuals from APTA's membership to participate in the program which will begin in October at the APTA 2007 Annual Meeting in Charlotte, North Carolina and concludes with the class's graduation at the 2008 Annual Meeting and Expo in San Diego, California.

Based in Fairfield, California, MV is the largest private provider of paratransit services and the largest privately-owned transportation contracting firm in the United States. The company employs more than 11,000 dedicated transit professionals and operates more than 180 paratransit, fixed-route, shuttle and Medicaid contracts in 27 states.
