MV Transportation, Inc. retains Kings County Rural Transit contract in Hanford, CA

Kings County, California --- MV Transportation is pleased to announce it has successfully retained the Kings County Rural Transit (KART) fixed-route and paratransit contract in Hanford, California.

Earlier this month, the KART Board of Directors unanimously approved \$2.1 million, five year contract with MV to continue as its service provider. MV's team of 48 transit professionals will operate and manage 32 County provide vehicles while continuing to improve the level of service provided to the community.

MV has operated this service since 2003, and as a result the agency has achieved improved on time performance and productivity, reduced miles between road calls, and has passed every California Highway Patrol (CHP), Federal Transit Administration (FTA) and King County audit. MV has also been very active in the local community, partnering with the agency to host an annual Stuff-A-Bus event to collect and donate food to people in need.

"We are so very proud of the partnership we have in Hanford and the services we provide," said Nate Smith, MV's President of West Coast Operations. "I look forward to our continued success in the community and an equally successful relationship."

Based in Fairfield, California, MV is the largest private provider of paratransit services and the largest privately-owned transportation contracting firm in the United States. The company employs more than 12,000 dedicated transit professionals and operates more than 190 paratransit, fixed-route, shuttle and Medicaid contracts in 24 states Washington, DC and Vancouver, British Columbia.
