MV Transportation, Inc. begins \$4 million resort transportation contract in Anaheim, CA

Anaheim, CA --- MV Transportation has begun a new partnership with the Anaheim Resort Transit (ART) to provide fixed-route shuttle services throughout the Anaheim Resort area.

ART is the transportation system for the residents, employees and guests of the City of Anaheim and the greater Anaheim Resort area, including the cities of Anaheim, Garden Grove and Orange. ART's service consists of sixteen inter-changing routes that allow for easy access and convenient connections.

Under the terms of the \$4 million, five year contract, MV will operate 40 fixed-route vehicles and employ 90 transit professionals.

"This is a great opportunity for MV as we enter into what we hope will become a long term partnership with ART and in the tourism market," said Nate Smith, MV's President of West Coast Operations. "We are quite excited about this new venture."

Based in Fairfield, California, MV is the largest private provider of paratransit services and the largest privately-owned transportation contracting firm in the United States. The company employs more than 12,000 dedicated transit professionals and operates more than 190 paratransit, fixed-route, shuttle and Medicaid contracts in 24 states Washington, DC and Vancouver, British Columbia.
