## **MV Transportation, Inc. wins new \$7.5 million contract in Tucson, Arizona**

MV Transportation, Inc. is proud to announce the successful start-up of a new contract in Tucson, Arizona. MV began services on Monday, May 4 with five weeks to hire drivers, open a new facility and prep the bus fleet for first day service.

In March, the Pima County (Tucson, Arizona) Regional Transportation Authority voted unanimously awarded MV the new contract to operate its local transit services.

Under the terms of this three-year, with 2 one year options, contract, MV will partner with the RTA to manage a fleet of 16 buses. MV has also proposed extensive technology to assist with real time reporting, vehicle tracking, and system design. The annual revenue of this new contract is \$1.5 million.

“I am excited about this new contract and MV looks forward to partnering with the RTA to provide a quality transit service that the residents of Pima County deserve,” said Nate Smith, MV’s President of West Coast Operations.

Based in Fairfield, California, MV is the largest private provider of paratransit services and the largest privately-owned transportation contracting firm in the United States. The company employs more than 12,000 dedicated transit professionals and operates more than 190 paratransit, fixed-route, shuttle and Medicaid contracts in 24 states, the District of Columbia, and Canada.
