

FOR IMMEDIATE RELEASE:

MV Public Transportation, Inc. wins Abbott Shuttle Services Contract

(Abbott Park, IL – December 11, 2008) Abbott Laboratories – corporate headquartered in Abbott Park, Illinois – has chosen MV Public Transportation as the new operator of the pharmaceutical health care company’s Shuttle Service. This system connects the Abbot Park Campus and the North Chicago Campus, and provides service to riders traveling through several Metra Stations.

Under the terms of the 5-year contract, MV will begin providing service on January 1, 2009. MV will be eligible for two additional one-year contract extensions upon the contract conclusion date of December 31, 2014.

“We are thrilled about this new opportunity for our company with the Abbot Laboratories contract,” said Kevin Klika, MV’s Chief Operating Officer. “We look forward to building a strong working relationship with Abbott, enhancing this service through the technological advancements, and increasing our success as a campus shuttle provider.”

MV will implement several features to increase safety, improve maintenance and increase on-time performance for the Abbot Laboratories Shuttle Services. The implementation of the DriveCam Video System will reinforce a focus on safety, and the FleetFocus maintenance management software will give the maintenance team the ability to identify and complete repairs in a timely manner. MV will also put its Real-Time Monitoring System in place to improve overall system performance.

MV also provides services in Alsip, Melrose Park, Peoria, Batavia, Niles and Chicago. This experience and success provides the company with the knowledge of operating procedures in the state, along with the resources of local experienced teams.

Based in Fairfield, California, MV is the largest private provider of paratransit services and the largest privately-owned transportation contracting firm in the United States. The company employs more than 12,000 dedicated transit professionals and operates more than 190 paratransit, fixed-route, shuttle and Medicaid contracts in 24 states, the District of Columbia, and Canada.
